Mission and Vision Statement

VISION

To honor life by modeling Christ in providing services that meet the needs of individuals facing pregnancy and sexual health issues.

MISSION

Care Net provides compassionate pregnancy and sexual health services. We offer help, hope and healing through medical services, education, a residential program and ongoing support.

Statement of Faith

I, the undersigned, as a Christian volunteer at the Care Net Pregnancy Center, believe:

1. The Bible is the only inspired, infallible, and authoritative Word of God.
2. There is only one God, eternally existent in three persons-Father, Son, and Holy Spirit.
3. In the deity of our Lord Jesus Christ, His virgin birth, sinless life, miracles, atoning death for the sins of all mankind, and resurrection.
4. Jesus Christ will personally return to earth in power and in glory.
5. Justification through faith in the atonement of Jesus Christ and regeneration by the Holy Spirit are essential for the salvation of lost and sinful men.
6. I recognize that abstinence is the only biblically acceptable sexual lifestyle outside the bonds of marriage. I will not engage in fornication or adultery. I will follow the biblical admonition to flee temptation and to avoid even the appearance of evil that could cause another to stumble.
7. The church is the body of Christ, comprised of all those who through faith in Christ have been regenerated by the indwelling Holy Spirit. The mission of the church is worldwide evangelization and the nurture and disciplining of Christians.

I have read and affirm the Mission and Vision Statement and the Statement of Faith.
