

A pregnant woman with long dark hair, wearing a light pink, off-the-shoulder, long-sleeved dress with a ruffled neckline. She is standing in a field of tall grass, looking down at her belly with both hands resting on it. The background is a soft, golden light, suggesting a sunset or sunrise.

Written in secret.
EVERY hair *Counted*.
Valued above rubies.
A life known by **GOD**.

Join us today and every day in honoring the Sanctity of Human Life.

“Your eyes saw my unformed body; all the days ordained for me were written in your book before one of them came to be.” –Psalm 139:16

An ultrasound, provided free of charge in our clinic, allows moms and dads a way to see the true miracle of their unborn child. Before the baby takes a first breath, parents can feel like they already know their child. The greater miracle is that the child is already known by God — before the mother realizes she is pregnant.

Women and men find help, hope and healing through Care Net’s medical services, education, and residential program. You can be involved in our work to honor and value human life.

Volunteer: No experience? Don’t worry, we will train you!
