

10 Ways Ministry Leaders

can promote a Christ-like response to abortion

1 Talk about the value of human life from the Bible throughout the year.

2

Preach sensitively, understanding that two out of five women in your congregation may have had an abortion.

3

Equip your church to minister to abortion-vulnerable women and men. Care Net can help you.

Include prayers for abortion-vulnerable women and men during your worship service.

4

5

Become familiar with resources available at Care Net so you can help families facing difficult pregnancies.

8

Adopt Care Net as you would other missionaries. Pray for, encourage, and support staff.

6

Lead your church to minister to single moms.

7

Make life-affirming materials available to your church.

9

Write a life-affirming article for your church newsletter.

Recognize each Sanctity of Human Life Sunday from the pulpit.
